

Freelance Affiliate Work Agreement

This agreement is entered into by _____ (“the freelancer”) and Squarecat OÜ (“the company”).

The parties agree as follows;

1. Services.

The freelancer is agreeing to act as an affiliate for “Leave Me Alone”, the product owned and operated by the company. The nature of this service is outlined in the terms and conditions on the website (<https://leavemealone.app/friends>), to which the freelancer has agreed.

2. Relationship.

The parties enter into this agreement with the knowledge that the relationship is one of independent contractor/freelancer (the freelancer) and party requesting work for hire (the company). The company is not the employer of the freelancer, and the freelancer understands that the service fee they receive from the company is not taxed in Estonia and that he/she is solely responsible for declaring and paying the relevant income and social taxes in the country where he/she operates.

3. Fee

For every customer referred to the company by the freelancer, the company agrees to pay 30% of any payments that customer makes for their first 12 months of billed payments.

Both the company and the freelancer agree that all relevant laws and regulations are adhered to in relation to our activities under this agreement, and to not cause the other to breach any relevant laws or regulations.

This agreement stays in place and need not be renewed. If for some reason one part of this agreement becomes invalid or unenforceable, the remaining parts of it remain in place.
